

GOD'S WORKIN' ALL FOR GOOD
VBS 2021

The coat of many colors given by my dad
Caused hatred and dissension with the brothers that I had (the brothers that I had).

Chorus:

Lil Joe! Place your faith in God. Lil Joe! You know you should.
Lil Joe! Place your hope in God. He's workin' all for good, He's workin' all for good.

You tossed me in an empty well and sold me as a slave.
Later in a prison cell I'm forgotten many days (forgotten many days).

(Chorus)

The Pharaoh had a dream one night of skinny cows and wheat.
God called me to his side to say we'll all have plenty to eat (we'll all have plenty to eat). (Chorus)

(Chorus)

Through jealousy and envy, you devised your evil plans,
Yet God's love and wisdom overrule the plans of man (overrule the plans of man).

(Chorus)
